Each day, thousands of individuals, youth, and families in the United States wake up without a place to call home. Affordable housing is at risk, and in some communities, non-existent. Youth (under 20) are left to live on the streets or in shelters. Families are forced out of their homes, with limited or no resources to provide a roof for shelter.

The Bible calls us to shelter the homeless and feed those who are hungry. Many Presbyterian congregations are making a difference in the lives of others, through advocating for affordable housing, supporting shelters and transitional housing, and participating in social service programs.

Hunger and Homelessness Awareness Week is November 17-24.
