## TFE Ministry Leader Formation Cohorts

TFE Ministry Leader Formation Cohorts seek to journey with PC(USA) ministry leaders: to equip through practice, tools, and resources; to support exploration through deepening self-reflection; to broaden engagement with self, God, peers, and community; to expand knowledge and connection; and to extend with others towards justice.

TFE Ministry Leader Formation Cohorts applications are open to any PC(USA) ministry leader; spaces are limited, and cohorts are based on availability. They generally last 8-12 weeks.

## Vital Congregations Cohorts

The Revitalization Initiative is a two-year covenant relationship between presbyteries and the PC(USA) to prayerfully walk with pastors and existing congregations in intentional efforts of revitalization.

**Life-Long Discipleship Formation Cohorts** is an 8-week virtual cohort where space is created to develop a foundation that will enable leaders to guide their congregations in creating Life-Long Discipleship plans for their communities.

Vital Congregation cohorts are open to pastors who are engaged in the two-year covenant relationship.
