Greetings!! I am deeply humbled and enthused by this opportunity to serve as a YAV in the Philippines! I just finished studying at Westminster College in Scenic Missouri where I majored in Sociology and History (with a little bit of Religious Studies thrown in). My time there filled with a deep passion for social justice and challenged me to find the many ways it intersects with my faith. Prior to that, I grew up in beautiful Memphis, TN and spent much of time with the Cumberland Presbyterian Church of Germantown. I'm currently a proud member of Church of the Pilgrims in Washington, DC, where I interned last summer. I am the product of these many communities of faith that have each nurtured, loved, and inspired me to become the person I am today. Following my YAV year, I hope to go seminary and seek eventual ordination.
