Our Partners
Presbyterian World Mission has served in Cameroon since 1875 and currently works with our partner, RELUFA (The Network for the Fight Against Hunger in Cameroon). Our current ministry supports work-scholarship programs that simultaneously provide affordable access to secondary education, while putting to use available land at rural schools so long-lasting orchards can be prepared for future sustainability. This helps parents pay for school tuition bills which continue to rise due to declining government subsidies for education. Our church partners deeply value education, and we support their work. We also support the training of pastors and lay church leaders who often take the lead on rural, new church development.

2019 Presbyterian Peacemaking and International Peacemakers Programs
The International Peacemaking Program makes it possible for Presbyterians all over the U.S. to receive insight, wisdom and instruction from innovative leaders of partner denominations and partner organizations around the world. Since 1984, the Presbyterian Mission Agency has hosted approximately 300 International Peacemakers from 60 countries. These visits have opened hearts and minds, touched lives, established relationships and inspired new ministries. By sharing stories of their work and witness, the peacemakers help us understand peace and justice concerns around the world and provide insights that can inspire us to greater faithfulness. Their visits broaden our sense of God’s inclusive family and help equip us to build a culture of peace and nonviolence for all God’s children. Visit presbyterianmission.org/ministries/peacemaking.

Peace & Global Witness Offering
Support of the Peace & Global Witness Offering makes the International Peacemaker Program possible, as well as other initiatives of peacemaking and reconciliation throughout the denomination. Through your support, Presbyterians are able to connect with one another and with leaders in peace and reconciliation practices throughout the U.S. and around the world, as well as develop resources and training to better equip congregations and individuals to do effective peacemaking work in their communities and around the world. By giving to support the peace ministries of Presbyterian Mission, we work to share Christ’s peace with one another, beyond our doors, beyond our community and across boundaries. Gifts to the Peace & Global Witness Offering help us continue this ministry of bringing peace at all time and in all ways.
