My name is Chance Snell and I am a member of Tinkling Spring Presbyterian Church in Fishersville, Virginia. I am a graduate of Blue Ridge Community College with a degree in administration of justice. I am going to be working in Indianapolis as a Young

Adult Volunteer for the next year. The past few years I have been working as a security officer for Virginia School for the Deaf and Blind, but I am hoping the next year will help me decide what path I should take for the rest of my life.
