Hey y'all! My name is Emily Mikhail and I am so excited to serve as a Young Adult Volunteer in Chicago for 2016-2017. I am a member of West Plano Presbyterian Church in Plano, TX, where I call home and I will be graduating in May with a BA in psychology and minors in sociology and urban studies from Trinity University in San Antonio, TX. After this year of service is over, I will be continuing my education and pursuing a Master's in social work. I first learned about the YAV program at Triennium in 2010 while still in high school and knew then that I would absolutely apply once I graduated from college. I love adventuring, volunteering, and spending time with friends both old and new. Any activity that combines these is perfect for me, and I hope to have many opportunities for this in the coming year. I am eager to see what challenges and experiences Chicago has in store for me!
