Hello! My name is Evelyn Hooper. I am 26 years old and, after attending Rhodes College in Memphis, TN, have recently graduated from the University of Tennessee at Chattanooga with a degree in Sociology.

I grew up at Northside Presbyterian Church in Chattanooga, TN. Northside is a wonderful church community which encourages compassionate, thoughtful, and joyful worship in all aspects of life. And while I'll be sad to leave, I am particularly excited by my assignment to the Chicago YAV/DOOR program due to the historic importance of the University of Chicago to the study of sociology and the emphasis of the Chicago program on social issues such as homelessness and race relations. I look forward to getting to know and learning from my fellow YAVs and Dwellers and to living and working in a new environment.
