Madagascar is experiencing troubled times in the run-up to its presidential election and tear gas was used on Monday October 2<sup>nd</sup>.

This is a special opportunity to join with our Madagascar partner to lift up in prayer the FJKM church, the nation of Madagascar, and the Malagasy people in the time leading up to the election scheduled for November 9<sup>th</sup>.

We will be joining the FJKM in their worship service and lifting our voices in praise and responsive prayer.

As part of the service, our faces will be projected on the screen, so let's have as many people as possible join in so we can show our brothers and sisters in Christ we are with them in solidarily!

Looking forward to seeing you there.
