Hi! My name is Kelly Norris. I am 22 years old, and am from Winston-Salem, North Carolina, where I grew up attending Clemmons Presbyterian Church. I just graduated from The University of North Carolina at Greensboro with my Bachelors in Music Composition. I enjoy playing piano, clarinet, and handbells, and I love hymns. I also like cats, Netflix, and historical fiction novels. I am excited to begin my year as a YAV in Austin, Texas, and look forward to new experiences, new challenges, and new community that I will find there!
