My name is Gladys Rosas. I am twenty-three years old. Before accepting my placement in Chicago, I was teaching Pre-Kindergarten in Fort Wayne, Indiana. However, I am originally from the small town of Goshen where I am a member of the only Spanish Mennonite church in the area. I would be lying if I said I knew where God will take me next, but I don't. The only thing I know is that I have a willingness and desire to go wherever He wants me. I have a heart for people and hope to be a positive part of their story through my year of service.
