My name is Hannah McKerley, and I am 20 years old. I am from Pensacola, Florida, and have lived here all of my life. I currently go to school at the University of West Florida and am studying communication, public relations and art. As the daughter of two local veterinarians/small business owners, I have learned the value of hard work and compassion. During my time at First Presbyterian Church of Pensacola, I have learned how we can

extend love beyond the borders of our homes or cities and help others. These special qualities that I have learned throughout the year will help me serve a year in Colombia. After that, I hope to continue positively contributing to our ever-changing world.
