Hi, I'm Isabella Fagiani. I graduated from Queens University of Charlotte in May 2016 with a Bachelor of Arts in Communication with a focus on Relational Communication and a minor in Pre-Ministry. Ever since learning about the YAV program, I have known I wanted to be a YAV! As a native Western New Yorker, I have experienced my fair share of culture shock in moving to North Carolina for college, and again to Sweden for a semester. I am excited to live abroad again and experience the trials and triumphs of culture shock that will come with it. I'll be living in Scotland for the next year working with Church of Scotland Priority Areas team in Glasgow. I hope to live out my passion for people, spiritual formation, and love of youth ministry while walking alongside the people of Glasgow. Upon returning home, I hope to begin seminary.
