My name is Jake Crowther, I am 24 years old and originally from Clemson, South Carolina. I studied Spanish and International Health with focus in COmmunity Development during my time at Clemson University. I am currently serving as a Young Adult Volunteer (YAV) in Agua Prieta Mexico. I enjoy sharing meals with friends outside and getting lost in the woods. I hope this upcoming year will give me the opportunity to grow and learn what it means to be more Christ-like, and how to be a loving citizen of this world.
