My name is Jessica Reese and I am 23 years old. I was born and raised in San Diego and California runs through my blood. I have always lived life one adventure at a time. I studied sociology and Spanish at Chapman University, but I went in a bit of an unexpected direction when I graduated in 2015. I became a Wilderness Canoe Guide in the Boundary Waters of Minnesota. I can't foresee the journey God will take me on this next year, but during

my time as a YAV in New Orleans I am ready to grow, stretch and learn through this time of joyful service.
