Hello! I am humbled to be given the opportunity to be placed as a Miami DOOR/YAV this August. Currently I am a graduating senior at Saint Joseph's University in Philadelphia. I am studying History, Theology, and Justice and Ethics in the Law. I have enjoyed my time in Philadelphia and have been blessed to be a part of so many programs and organizations. My trip to New Orleans my junior year, and senior year as a co-leader, stand out to me as the moment where I realized how much service, reflection, and advocating for men and women on the margins meant to me and how motivated I was to help others. I hope to not only be a student of the community in Miami, but also to call it my home.
