My name is Kasey Kelly. I grew up in the United Methodist denomination, since my mom is a pastor in North Carolina. In December 2017, I completed my Bachelor of Arts degree in sociology at University of North Carolina–Asheville. My life has led me to connect and support marginalized groups, after witnessing injustices. I love

taking fun quizzes and solving riddles. I heard about YAV from a staff member at my college, and I made a visit to the YAV booth at the career fair on that same day! From there, I am on a journey with God's plan by being in Washington, D.C.!
