My name is Kristen Trohkimoinen and I was born and raised in Casper, Wyoming. I attended the University of Wyoming and graduated in 2014 with bachelor of arts degrees in political science and international studies with a minor in history. I most recently graduated from Casper College with a post-bachelor's certificate in paralegal studies. I am now in the process of becoming a certified paralegal.

I love to read, travel, learn and spend time with my family. I am passionate about addressing human trafficking issues around the world, veterans' rights in the U.S. and tribal issues in the U.S. and internationally. I'm excited to spend this upcoming YAV year in Peru. I can't wait to see what my future and God brings me through the YAV program!
