

**Madagascar Mission Network is excited to announce its next zoom
FJKM Conversation!!**

Saturday JUNE 24TH from 10am -12:15pm EDT

**Conversation with the FJKM:
Educating the Next Generation**

Go to www.madagascarmissionnetwork.org to register

What to Expect:

- **Learn about FJKM's 687 schools and their innovative programs to impact the education needs of Madagascar**
 - ❖ FJKM is working to make a difference in very remote areas of the country.
 - ❖ FJKM has one teacher training college and is building a second teacher training school to meet the needs for trained teachers for the over 390,000 students in FJKM primary and secondary schools.
- **Learn how the Evidence Based Methods of Instruction program (EBMI) that PC(USA) introduced to the FJKM is revolutionizing teaching**
 - ❖ Students in FJKM Schools where EBMI has been piloted score over 85% on their standardized test scores. In some schools, the students score 100%! The average score nationally is about 50%.
- **Hear about FJKM's progress and challenges from FJKM President Irako Andriamahazosoa Ammi**
- **Get an update from mission co-workers Dan and Elizabeth Turk**
- **A time for questions and prayer**
