Mary Baldwin

My name is Mary Baldwin. I am 21 years old and about to graduate from Wofford College with degrees in English (Creative Writing), and Spanish. I am excited to serve in Tucson, Arizona – I'm sure it will be an adventure after spending most of my life in South Carolina! After this year, I am planning to begin working on a master's degree in Library Science. I love reading fiction & fantasy, traveling, writing, and drawing. God has called me to take a leaf or two from some of my favorite books and step forward to listen, grow, wonder, and help others by fighting injustice through this year of service to Him and His people.
