Hi! My name is Mary Frances Yeilding. I am a recent graduate of the University of Mississippi (Ole Miss). I have a Bachelor of Science degree in exercise science and will hopefully go to grad school to become an occupational therapist. Being outside is one of my favorite pastimes, whether it's on a hike or on a run or taking photos or playing tennis or exploring nature with a dog. I love visiting new places and learning from the people there, so I am looking forward to this year in Boston!
