Hey Y'all! My name is Meredith Check and I will be serving as a Young Adult Volunteer in Chicago for the 2016-2017 year. I graduated from NC State University in May of 2015 with Bachelor of Arts degrees in both History and International Studies, with a minor in Russian Studies. I'm from the town of Lexington, NC where I am a member of First Presbyterian Church. I love traveling, reading, and eating good food. I'm thankful for the unending support of my friends and family while I've embarked on this journey, and excited to see what is in store for me in Chicago!
