My name is Mindy Vande Brake. I am originally from St. Cloud Minnesota, but lived and served as a YAV last year in New Orleans Louisiana. I love trying new things, cooking, and having as much fun as possible in my spare time. I am eager for my newest adventures to begin in New York. I loved my experiences so much the first time as a YAV, that I can't wait to see what I will learn and how I grow in my next year as a YAV in New York City.
