Hi, I'm Olivia and I'm a recent graduate of East Tennessee State University's Bachelor of Social Work program and a lifelong member of Timber Ridge Presbyterian Church in Greeneville, TN. I have my church and my family to thank for keeping me afloat these first 22 years of life and for helping me become the person I am today. I look forward to giving back to the Presbyterian Church by serving in Scotland during the 2016-2017 YAV year. I have spent two summers working at different summer camps and plan to return this summer (2016) to Holston Presbytery Camp in Banner Elk, NC. I'm passionate about loving people, being outdoors, and exploring all that the world has to offer. I would consider myself a free spirit, and I love to sing, read, and make art.

My hopes for the coming year:

That my worldview will be challenged.

That my heart will be opened.

That I find friends in faraway places.

That I can recognize my place in the journey towards bringing heaven to earth.

That I will increase in confidence and be humbled.
