# Lucy Dergarabedian

*Serving Christ in Lebanon*

Lucy is passionate to find different ways to bridge the knowledge between head and heart, to shine amid darkness. Her call has been honed and shaped over thirty years of service in different settings, creating a place of home coming and welcome to all those who are hurting, suffering, or in need of companionship, resources, or the healing power of faith. "The call to return to Lebanon to work at Near East School of Theology (NEST) and with refugees is one that God has been preparing me for throughout my life," says Lucy. Work environments for Lucy have been about bringing hope to the hopeless.
