Dear Sir/Madam:

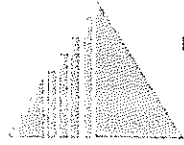

Please accept this letter of support for the Refugee Driving Program of the Rochester Refugee Resettlement Services, Inc. This program has taught more than two dozen refugees the skills necessary to obtain a New York State Driver's License since the program began in 2014. Having a driver's license greatly expands each refugee's chances for a better job and self-sustainability for themselves and their families.

Our organization is very aware of the efforts that RRRS does for the benefit of refugees in many areas. The Refugee Driving Program continues to thrive with more than two dozen active participants participating every week, and a waiting list. The program is run completely by volunteers.

I am hopeful you will support this wonderful initiative, and I thank you for your time and consideration.

Sincerely,

Cynthia W. Kaleh
