My name is Savannah Caccamo. I grew up in Greensboro, North Carolina where I attended First Presbyterian Church. I recently graduated from the University of North Carolina in Chapel Hill with a major in Religious Studies and a minor in Spanish. I was active in Presbyterian Campus Ministry there, a group which supported me wholeheartedly. I love to travel, meet new people and explore new foods. I am extremely excited to continue to explore these and other passions in Miami and grow alongside those I work with. I knew that I wanted a year of service after college to help prepare me for my future experiences and I am excited to see what this year will bring me!
