

Ministry Leader Formation Cohorts

"We become what we practice. Practices shape and change our lives. God is using our changing lives for the transformation of the world. Salvation is about the transformation of lives, relationships, communities, peoples, nations and Creation."

Theology, Formation & Evangelism (TFE) is piloting the following cohorts for Fall/ Winter 2022-23

Spiritual Practices (ongoing) [Register now!](#)

Have you ever wanted to explore spiritual practices/disciplines and you couldn't find time? Are you searching for a community in which to practice? Do you have questions, ideas, challenges around spiritual practices? Would you like to try new spiritual practices, return to old ones, or find an adaptation to one that might work for you?

If you answered "yes" to any of the above questions, have other questions, hesitations, or if you are just curious, this may be the cohort for you.

Spiritual Practices Ministry Leader Formation Cohort meets bi-weekly (via Zoom). Together, participants explore and share different spiritual practices while addressing questions and challenges. On alternate weeks, participants will watch recordings of presenters from the original cohort, follow an instruction guide, and participate in discussion questions via [EquipPCUSA](#). This cohort is open, which means participants can come to any, every, or some sessions as their schedule allows.

Anti-Racism (and Reconciliation) as Spiritual Practice(s) [Apply now!](#)

In this coach-facilitated cohort, ministry leaders will develop actions aligned with Matthew 25 through the exploration of beliefs, emotions, relationships, actions, and impact connected to anti-racism and reconciliation. Ministry leaders will also identify, and engage, in spiritual practices to support living into personal, professional, and ministry values, relationships, and commitments with intention.

Bringing Into Focus [Apply now!](#)

Bringing Into Focus Ministry Leader Formation Cohort provides tools and reflection to support ministry leaders in making deep connections between personal and ministerial vision, purpose, and action as it relates to the Matthew 25 vision and foci.

8 Habits of Evangelism [Apply Here!](#)

[8 Habits of Evangelism](#) Cohorts will utilize [8 Habits of Evangelism resources](#) to explore habits of loving God, neighbor, and earth; the wholeness of God: cultivating encounter, healing, and well-being through relationships with God, one another, and community.

This is an opportunity for transformation that will extend beyond ourselves and our ministries into the lives and experiences of others. This is a space to listen, reflect, share, accept, challenge, support, grow, and transform, with other ministry leaders.
