Vital Congregations

www.pcusa.org/vitalcongregations

The Vital Congregations Initiative works alongside leaders of existing congregations continually assessing, discerning and living into faithful actions that increase vitality through intentional spiritual practices that take them deeper into following Jesus Christ, so that their own lives are changed, congregations are transformed, and the mission of God spreads throughout particular communities and the world.

The Urban Presbyteries Network includes presbytery leaders from over 30 “urban-centric” presbyteries. The goal of UPN is to sustain, inspire, and empower. Through online meetings and annual in-person gatherings, we hope to learn from one another; to prayerfully see the needs and offer ourselves in service to God’s mission.

Everyday God-Talk

www.pcusa.org/egt

Everyday God-Talk is a video series of interviews with church leaders and theologians, talking about God in everyday language and through everyday perspectives. We hope to bridge the gap between what's going on at church, what's happening in our everyday lives, and many theologians in the U.S. and beyond.

Worship Resources

www.pcusa.org/worship

Christian worship joyfully ascribes all praise and honor, glory and power to the triune God. In worship the people of God acknowledge God present in the world and in their lives. As they respond to God's claim and redemptive action in Jesus Christ, believers are transformed and renewed. In worship the faithful offer themselves to God and are equipped for God's service in the world. (Directory for Worship, W-1.1001)

On this website, you'll find extensive resources for pastors and church leaders preparing for worship.

MATTHEW 25 Resources

www.pcusa.org/matthew25

The Matthew 25 Vision focuses on Matthew 25: 31-46, the parable of the sheep and goats in which Jesus makes clear, that what we do matters to God and how we treat others is important to God. When we welcome others, we welcome Christ; when we bring together people who are divided, we are doing God’s reconciling work.

The three main foci of the Matthew 25 Vision are:

- **Building Congregational Vitality** by challenging people and congregations to deepen their faith and get actively and joyfully engaged with their community and the world.
- **Dismantling Structural Racism** by advocating and acting to break down the systems, practices and thinking that underlie discrimination, bias, prejudice and oppression of people of color.
- **Eradicating Systemic Poverty** by working to change laws, policies, plans and structures in our society that perpetuate economic exploitation of people who are poor.

Below are some of the free resources for Bible study and worship planning developed by Theology, Formation & Evangelism to help individuals, small groups, faith communities and congregations, and mid councils, engage with this message of the gospel in Matthew 25.
