### November 2<sup>nd</sup> Prayer Update for Madagascar:

There has been no march to the 13 May Plaza to date, but one is planned for

Saturday Nov 4th. At this time, the election is scheduled for Thursday November 16th.

**Please pray:**

\*That the Council of Christian Churches in Madagascar (FFKM)'s mediation efforts lead to a positive resolution.

\*For the commitment of the presidential candidates and the government to the well-being of Madagascar's people and the protection of democratic institutions.

\*That the people of Madagascar will be allowed to express dissent peacefully, respectfully and openly without the threat of violence or arbitrary arrest.

\*For all of Madagascar's legislators, magistrates, and public officials that they will carry out their functions impartially and in a manner that invites peaceful political engagement.
