Hello! My name is Taylor Garrett, I am 22 years old, and I am an aspiring educator and lifelong student. I recently graduated from Waynesburg University with a bachelor's degree in secondary mathematics education and a minor in Spanish. This year, I have decided to explore and discern God's path for me and I will be residing in Albuquerque, New Mexico, as a Young Adult Volunteer (YAV). Although I am not sure what God has planned for me, I trust that it is good

and I know that I will grow significantly by whole-heartedly and falteringly following him. During this year of growth, I want to learn, know, and love God, his work and his people more deeply and more intentionally.
