

**Join us!**  
Cuba Partners Network (CPN) Gathering 2023

Come join us, José Manuel and Vilmarie, and the CPN family as we come together for the 2023 Gathering...

**“A Gift of Stories:  
Faith, Partnership and Hope”**

October 24 to 27 in Sandy Cove Retreat Center, Maryland.

*Sandy Cove Retreat Center, MD*

This will be our first Gathering, and we are looking forward to connecting with you, learning from our keynote speakers, listening and engaging with our siblings from the *Iglesia Presbiteriana-Reformada en Cuba*, and sharing stories of what God is doing through partnerships and relationships. The Rev. Dr. Hunter Farrell will connect with us discussing the themes of his and Balajiedlang (Bala) Khylllep’s book “Freeing Congregational Mission: A Practical Vision for Companionship, Cultural Humility and Co-Development”. Many other opportunities for conversation and networking are being planned, including a bonfire (with Smores!). Come for a time of worship, conversation, learning, and respite in community amidst stories of faith, partnership, and hope.
