My name is Wesley W. Smith and I am a 21-year-old man from the great city of Columbus, Ohio. I grew up in Ohio and then graduated high school and moved my entire life to Pittsburgh, Pennsylvania, for college. I have made it through half of my junior year but now am taking time to do service. I am not sure what I want to do in my life, but I know it is not being a supply chain management major. And so I am off to experience the wide world that God has created

and hopefully, in the process, find my calling.
