My name is Willa Van Camp and I am 22 years old. I graduated from Austin College in Sherman, Texas, with a degree in economics and a minor in Spanish in May 2017. During my time at Austin College, I also had the joy of singing in the Austin College A Cappella Choir, as well as playing viola in the Chamber Orchestra. Music has been a passion of mine since I was very young. I am serving as a Young Adult Volunteer (YAV) this year in Asheville, North Carolina,

where I am very glad to be back near the mountains after four years under the big Texas sky. As a West Coast and Pacific Northwest girl, the mountains are where I call home. I am looking forward to all the challenges that God has in store for me and trying to take advantage of all the opportunities that God might present for me to learn and grow.
