

Dear brothers and sisters in Christ,

We like to take time to thank you for walking, praying, and working with us this year. As you might know Ian, Marcella and I are back in Nicaragua and looking forward to continuing our work with CEPAD and the people of Nicaragua. As CEPAD continues to celebrate 50 years of service, ministry, and work, we look forward to your continued friendship and support to face the challenges ahead.

Looking back on the months gone by, as a new year starts and an old one ends, we contemplate the work done, the difficulties faced, and the many things that brought us happiness and glimpses of joy, and we think of our loved ones, our friends, and partners everywhere. Thank you for your continuing support and assistance in all areas of our ministry.

We wish you and yours a wonderful holiday season and a bountiful New Year.

The Vellengas.
