My name is Andrea Peña, I am 24 years old. I'm from Lima, Peru, I studied Translation for 3 years and theological studies for 2. I love to sing, listen to others' stories and help in any way I can. Since I was a kid my dream has been to be a missionary, travel and use the talents that God gave me. I really want to be part of the change that the world needs. Telling God "here I am, use me" has been one of the most difficult and at the same time most beautiful decisions that I have made because from that moment God has stretched me and made me leave my comfort zone allowing me to see life from another perspective and enjoy the many blessings of the kingdom.
