

## BAROMETER EXERCISE

12. When my car needs tuning, I go to the dealer rather than let my neighbor who works out of his garage do the job. With professionals I know it will be done right.

6. I feel things are either right or wrong; discussion of “gray” areas make me uncomfortable and seems to compromise the truth.

22. When waiting in line, I tend to start up conversations with people I do not know.

23. I hate to arrive late; sometimes I stay away rather than walk in late.

24. I get annoyed at people who want to stop a discussion and push the group to make a decision, especially when everyone has not had a chance to express his or her opinion.

32. I always submit to the authority of my boss, pastor, and teachers, even if I feel they may be wrong.

45. I enjoy looking at art and trying to figure out what the artist was thinking and trying to communicate.

47. I resist scheduled life, preferring to do things on the spur of the moment.
