My name is Deanna McDonnell. I am from Taylor, Michigan. I celebrated my 25th birthday in July. I went to Eastern Michigan University in Ypsilanti, Michigan. I graduated in April 2019 with my elementary education degree with minors in reading and language arts. My favorite hobbies are scrapbooking, swimming, hanging out with friends and Tae Kwon Do. I currently have a second degree black belt. I love helping at my church and working with the nursery and Sunday school program. I am excited about coming to Asheville, North Carolina, for my year of service — to learn more about the wonderful city and what God has in store for me next.
