## Kay Day

*Serving Christ in Rwanda*

Kay prepares men and women for pastoral ministry by teaching English and practical theology at the Protestant Institute of Arts and Sciences (PIASS). The school places a special emphasis on equipping students to facilitate reconciliation, mutual respect and societal development in Rwanda, a country still scarred by the 1994 genocide. PIASS is a joint project of the Presbyterian Church of Rwanda and four other Protestant denominations. "I am humbled that my small gifts can help build his kingdom in Rwanda as the people there are strengthened to rebuild their country" says Kay.
