My name is Emma Yoder. I am 23 years old and grew up in Berlin, Ohio. In 2020, I graduated from Eastern Mennonite University with degrees in History and Sociology and have spent the past year in Harrisonburg, Virginia waitressing at a local diner. As I look toward this next year, I hope to discover more about myself and my passions through serving with others. Both the best and most challenging parts of life are born from relationship. I look forward to the new communities that will be formed in this year of service, and the growth in spirituality, self and knowledge they may provide.
