Hi, I'm Grace Fulda. I graduated from Elizabethtown College in 2019 with a degree in Interfaith Leadership Studies and minors in Religious Studies, Peace and Conflict Studies, and Human Services. I enjoy studying different religions, discovering diverse cultures, and working with people. I am passionate about creating peace, resolving conflicts, and promoting justice. In my spare time, I enjoy painting, crocheting, and woodworking. I am committed to a YAV year in South Korea and anticipate many exciting opportunities to interact with others while serving my surrounding community.
