Kalista Consol is a follower of Christ, a sister, a daughter and a friend. She is authentic, spiritual, relationally-oriented and passionate about human rights and the interdependence of humanity. Kalista is a graduate of Colorado State University, where she had the privilege of receiving her bachelor's in human development and family studies. Since then, she has worked for a nonprofit in human trafficking prevention, a residential facility for youth and, most recently, at First Presbyterian Church in Fort Collins as the youth director. She enjoys reading, being outdoors, practicing art in many medias and, most of all, connecting with others. Kalista thrives on meaningful connections, conversations and time with others. That is why, of the many blessings there are to look forward to in the Philippines, she is most excited to meet new people and grow from these relationships.
