Hello! My name is Mary Lennox Halfacre and I am from Memphis, Tennessee. I am a graduate of Western Kentucky University where I studied Corporate and Organizational Communication. I am working towards a Master's degree in Media Management where I hope to hone my skills and understanding of non-profit communication and digital media. I look forward to serving with YAV 2021-2022 in NYC! As a life-long Presbyterian, I am proud that the YAV opportunity exists as a way to enhance young adult's relationship with the Lord. I thrive in

diverse cultural experiences and look forward to walking alongside the ministries supported by YAV in the greater NYC community.
