

## Presbyterian Trip to Examine Climate Change in Peru (2014):

In December 2014, the [Presbyterian Hunger Program](#) hosted a [reflection-action trip](#) in Lima, Peru with our [Joining Hands](#) partner networks in Peru and Bolivia, learning, marching, and observing how climate change and environmental degradation affect our brothers and sisters around the globe, even as the major leaders of the world gathered in Lima for the United Nations' Conference on the Parties (COP-20). Here are some compiled trip blogs and resources:
