My name is Zakeyah Frazier. I am 23 years old. I recently graduated from Queens University of Charlotte with a Bachelor of Arts and Science degree in sociology and minor in human services. I've been exceedingly resilient throughout many of my life experiences. With respect and passion for the human services profession, I find my strength in serving others and leadership capabilities. Through this year of service, I am eager to experience the deeper meaning of what God has called me to do here on earth.
